*The Right Reverend Charles Edward Tamba
Archbishop of Freetown*

Deeply saddened by the devastating consequences of the mudslide on the outskirts of Freetown, His Holiness Pope Francis assures those who have lost loved ones of his closeness at this difficult time. He prays for all who have died, and upon their grieving families and friends he invokes the divine blessings of strength and consolation. His Holiness likewise expresses his prayerful solidarity with the rescue workers and all involved in providing the much needed relief and support to the victims of this disaster.
