### 3. ACCREDITATION OF JOURNALISTS AND MEDIA OPERATORS

#### 3.1 *ORDINARY Accreditation*

The procedures for requesting accreditation and participation in events for journalists and media operators with ORDINARY accreditation remain unchanged and are dealt with through the online Accreditation System: [press.vatican.va/accreditamenti](https://press.vatican.va/accreditamenti).

#### 3.2 *TEMPORARY Accreditation*

Applications for TEMPORARY accreditation are to be made exclusively through the online Accreditation System, at [press.vatican.va/accreditamenti](https://press.vatican.va/accreditamenti).

After creating your own account, it will be necessary to select the **“Chiusura Giubileo 2025 e Celebrazioni Natalizie/Closing Jubilee and Christmas”** event in the calendar and all the events you wish to attend.

You will be asked to upload a photograph, a valid ID document, and a letter of request from the represented agency or media outlet, addressed to the Director of the Holy See Press Office, which must attest that you undertake to respect the professional ethical codes of journalism and in particular those relating to embargo.

The letter of application for accreditation of journalists and media operators (photo and video) must contain a declaration of use of the footage for news purposes only.

You are asked to select exclusively the events in which you intend to participate. Should it be impossible to attend an event for which accreditation has been requested, please withdraw your participation by clicking on the appropriate box in your user profile in the online Accreditation System.

**The final deadline for accreditation requests is always 48 hours before the event you wish to attend.**

Accreditation requests that are incomplete or received after the indicated deadline will not be taken into consideration.

#### 3.3 *Validity of TEMPORARY Accreditation*

TEMPORARY accreditation will grant access to the Holy See Press Office, to the ceremonies and events for which participation has been confirmed, and will allow documentation to be received in electronic format.

#### 3.4 *Distribution of TEMPORARY accreditation cards*

Press cards for journalists and media operators will be distributed at the Media Operations and Accreditation Sector of the Holy See Press Office in Via della Conciliazione, 54 (see map attached, fig 1, photo 5) according to the provisional timetable published under 1.1.

Journalists and media operators unable to collect their accreditation cards in person are invited to nominate, in writing, a delegate who must also produce a copy of his or her own valid ID document.

Upon collection of TEMPORARY accreditations, a contribution towards administrative costs will be requested.

#### 3.5 *TEMPORARY “REMOTE” Accreditation (only press/radio writers and TV correspondents)*

After creating your account, you will need to select the **“Chiusura Giubileo 2025 e Celebrazioni Natalizie/Closing Jubilee and Christmas”** event in the calendar and all the events you wish to attend, and finally activate the appropriate remote box during accreditation. You will be asked to upload a photo, an identity document and a letter of request from the represented agency or media outlet, which must specifically request temporary “remote” accreditation and certify the commitment to respect the ethical norms of journalism and in particular those relating to embargo.

**The final deadline for remote accreditation requests is always 48 hours before the event you wish to attend.**

Accreditation requests that are incomplete or received after the indicated deadline will not be taken into consideration.

#### 3.6 *Embargo on texts for news purposes*

Given the possibility that journalists and media operators may come into contact with documents under embargo, the letter of application for accreditation must include a declaration of compliance with the ethical norms of journalism, in particular those relating to embargo.

Film and photographic footage will be permitted and may be used exclusively for news purposes, to the extent that there is a current interest in its publication or transmission as related to a public interest in information about current facts and events. The letter of application for accreditation of journalists and media operators (photo and video) must contain a declaration of use of the footage for news purposes only, in compliance with the regulations in this regard.

#### 3.7 *Information concerning the accreditation procedure*
