Declaration of the Director of the Holy See Press Office, Greg Burke

Today, at 16.00, the Holy Father met with 34 Chilean bishops in the *study* of the Paul VI Hall. A further meeting will take place in the afternoon of Wednesday 16 May, and another two meetings during the day of Thursday 17 May.

This evening the Pope gave each of the bishops a text with various themes on which to reflect; from this moment and until the next meeting, the time will be dedicated exclusively to meditation and prayer.
