Video of the Holy Father with the prayer intention for the month of June, disseminated via the Pope's Worldwide Prayer Network

The following is the text of the Pope's video with the prayer intention for the month of June, disseminated via the Pope's Worldwide Prayer Network, on the theme: *"Let us pray for Christian families around the world; may each and every family embody and experience unconditional love and advance in holiness in their daily lives"*:

Video of the Holy Father

The family is the place where we learn to live with one another, to live with young people and with those who are older.

And by being united —young people, the elderly, adults, children—, by being united in our differences, we evangelize with our example of life.

Of course, there is no such thing as a perfect family. There are always "buts."

But that doesn't matter. We shouldn't be afraid of mistakes; we have to learn from them so we can move forward.

Let's not forget that God is with us: in our family, in our neighborhood, in the city where we live, He is with us.

And He takes care of us. He remains with us at all times in the swaying of the boat tossed by the sea: when we argue, when we suffer, when we're joyful, the Lord is there and accompanies us, helps us, and corrects us.

Family love is a personal path of holiness for each one of us.

This is why I chose it as the theme for this month's World Meeting of Families.

Let us pray for Christian families around the world; may each and every family embody and experience unconditional love and advance in holiness in their daily lives.
