## Holy See Communiqué

At the request of the Holy Father Francis, as of June 2022 the Historical Archive of the Secretariat of State – Section for Relations with States and International Organizations (ASRS) is allowing universal access to the virtual reproduction of an entire archival series on its website

([https://www.vatican.va/roman\\_curia/secretariat\\_state/sezione-rapporti-stati/archivio-storico/serie-ebrei/serie-ebrei\\_it.html](https://www.vatican.va/roman_curia/secretariat_state/sezione-rapporti-stati/archivio-storico/serie-ebrei/serie-ebrei_it.html)).

The documentary series, pertaining to Pius XII's pontificate (open to researchers since 2 March 2020), is titled "Ebrei" [Jews/Jewish people] because its aim is to preserve the petitions for help from Jewish people all over Europe, received by the Pope during the Nazi-Fascist persecutions.

The archival series consists of a total of 170 volumes, equivalent to nearly 40,000 digital files. An initial 70% of the complete material will be made available initially, before being integrated with the final volumes that are currently being worked on.
