Video of the Holy Father with the prayer intention for the month of July, disseminated via the Pope's Worldwide Prayer Network

The following is the text of the Pope's video with the prayer intention for the month of July, disseminated via the Pope's Worldwide Prayer Network, on the theme: *"Let us pray for the elderly, that they may become teachers of tenderness so that their experience and wisdom may help young people to look towards the future with hope and responsibility"*:

Video of the Holy Father

We cannot speak about family without talking about the importance of the elderly among us.

There have never been so many of us in the history of humanity, but we don't quite know how to live this new stage of life: there are many plans for assistance for the old age, but few projects for existence.

We elderly people often have a special sensitivity for care, for reflection, and affection. We are, or we can become, teachers of tenderness. And indeed we can!

In this world accustomed to war, we need a true revolution of tenderness.

We have a great responsibility towards new generations about this.

Let us remember: grandparents and the elderly are the bread that nourishes our lives, the hidden wisdom of a people. That is why we must celebrate them, and I have established a day dedicated to them.

Let us pray for the elderly, that they may become teachers of tenderness so that their experience and wisdom may help young people to look towards the future with hope and responsibility.
